## Disney's Believe

Genie from Aladdin and many of Disney's most beloved magic makers take a father on a magical journey to show him that anything is possible if you just believe.

 DECKS 3 & 4, FORWARD

 Assistance available at the entrances to the Walt Disney Theatre 30 minutes prior to show time.

## Disney Fantasy Fun Facts

The Disney Fantasy's horn, a prominent element of the "Sailing Away" deck party at the start of the cruise, is quite the musical talent. It's able to perform not just the first musical line of "When You Wish Upon a Star" but also the second line of the song ("makes no difference who you are") plus several measures of "Yo Ho (A Pirate's Life for Me)," "It's a Small World," "Be Our Guest," "Hi Diddle Dee Dee (An Actor's Life for Me)" and - most appropriately - "A Dream is a Wish."

A "light point" is shipbuilders' lingo for anything that's a light. There are approximately 80,000 light points on the Disney Fantasy - "double the normal number for a ship this size," according to Meyer Werft, the shipyard in Germany where the Disney Fantasy was built. The large number is the result of Disney's flare for theatrical experiences - accomplished primarily with LEDs and other "environmentally friendly" lighting.
