Tomorrow's Highlight... Barcelona, Spain

Barcelona is the capital of Catalonia and the second largest city in Spain, after Madrid. It is also the largest metropolis on the Mediterranean Sea. It is located on the Mediterranean coast between the mouths of the rivers Llobregat and Besòs and is bounded to the west by the Serra de Collserola.

Founded as a Roman city, Barcelona became the capital of the County of Barcelona. After merging with the Kingdom of Aragon, Barcelona became the most important city of the Crown of Aragon. Besieged several times during its history, Barcelona has a rich cultural heritage and is today an important cultural centre and a major tourist destination. Particularly renowned are the architectural works of Antoni Gaudí and Lluís Domènech i Montaner, which have been designated UNESCO World Heritage Sites. The headquarters of the Union for the Mediterranean is located in Barcelona. The city is known for hosting the 1992 Summer Olympics also.

Barcelona is today one of the world's leading tourist, economic, trade fair/exhibitions and cultural-sports centres, and its influence in commerce, education, entertainment, media, fashion, science, and the arts all contribute to its status as one of the world's major global cities. Indeed, at the same time, the city was ranked Europe's fourth best city for business and fastest improving European city, with growth improved by 17% per year. Barcelona is the transport hub with one of Europe's principal shipping ports.

Character, color-coded luggage tags are provided to assist you in locating your luggage in the Barcelona terminal. Please write your stateroom number, name, address and number of bags on these tags (e.g. 1 of 2) and remove any previous airline or Disney tags. Attach the new tags to your luggage and place it outside your stateroom between 8:00 p.m. and 10:15 p.m. on the last night of the voyage for complimentary delivery to the ship's terminal. Any luggage not placed outside the stateroom by 10:15 p.m. must be hand-carried by the Guest when disembarking the ship.

Your luggage will be placed in character, color-coded zones for easy recognition in the port terminal. Once in the terminal, porters will be available to assist you with your luggage. The porters providing this assistance are employed by an independent company, so it is customary to provide a gratuity in recognition of their service.
