## Welcome To Athens, Greece

Greece is a country on the southern end of the Balkan Peninsula, located in Southern Europe. Greece is surrounded on the north by Bulgaria, the Republic of Macedonia and Albania; to the west by the Ionian Sea; to the south by the Mediterranean Sea and to the east by the Aegean Sea and Turkey.

The Port of Piraeus is the gateway to the ancient wonders of Athens. Athens is the capital and the largest city of Greece. Athens is also one of the world's oldest cities, as the recorded history spans approximately 3,400 years.

Piraeus is Greece's third largest city in terms of population and its biggest port. It was first settled in the ages of Themistocles, when the Long Walls were built (478 BC), and the town was being laid out to the plans of the architect Hippodamus. It gained considerably in importance when Athens became a naval power. The ancient harbours of Piraeus were Zea and Munichia.

The commercial harbour of Piraeus is one of the most important in the Mediterranean. The city itself with its suburbs is an industrial zone of particular importance for the Greek economy, but nevertheless its centre has broad streets, spacious squares, tree-lined avenues, and parks.

## FEATURED CABARET ACTS THIS VOYAGE

### THE MAGIC & ILLUSION OF SCOTT PEPPER

Scott Pepper has been a magician and entertainer for more than 15 years. Scott first began performing magic at the age of 10 when he received a magic set for his birthday -- from then on he was bitten by the magic bug. Since then he has performed in hotels, resorts, theatres, and cruise ships around the world. His unique style of performance has filled theatres in the US and UK with his award-winning magic and illusion.

### THE COMEDY & JUGGLING OF PETE MATTHEWS

With his infectious enthusiasm, his rapid-fire wit and highly skilled juggling, Pete will no doubt change your opinion of jugglers. Widely recognised as the UK's Premier Comedy Juggler, Pete's early career kick started in 1990 with TV appearances on "Barrymore" and "You Bet!" Pete is from the south of England where he lives with his wife and 2 children. Pete Matthews is just another juggler. That's like saying London is just another city!

### THE DYNAMIC COMEDY DUO OF ALFRED & SEYMOUR

Who says stand-up has to stand still? Combine incredible hip-hop dancing with side-splitting comedy and you get "Alfred and Seymour." It's the most unique comedy concept to grace the stage since Vaudeville. Alfred and Seymour - their comedy is rad, the dancing phat, and you'll leave their show a better person for their message of love, life, and laughter.

La distribución de boletos se llevará a cabo solamente en Buena Vista Theatre hasta las 10:30 a.m., aproximadamente, o cuando se anuncie que los botes estén listos, permitiéndole proceder sin boleto directamente a la salida en el piso 1. **TODOS LOS HUÉSPEDES DIRIGIÉNDOSE AL PUERTO DE MANERA INDEPENDIENTE, DEBERÁN ENTREGAR SU BOLETO PARA PODER ABORDAR EL BOTE. LOS BOLETOS NO SE ENCONTRARÁN DISPONIBLES EN LAS SALIDAS.** Permanezca en Buena Vista Theatre hasta que se le informe que puede proceder a la salida asignada para embarcar el bote. Le recomendamos contemplar un tiempo de espera y traslado al puerto de al menos 45 minutos.

Le sugerimos considerar un tiempo para trasladarse al puerto de por lo menos 45 minutos Recuerde estar en su punto de reunión en el muelle a la hora indicada en su boleto "Port Adventures".

Para excursiones que incluyan alguna actividad en el agua, se le proporcionarán toallas en su punto de reunión. ## AN OVERVIEW OF ATHENS

Athens. The city with the most glorious history in the world, a city worshipped by gods and people, a magical city. The enchanting capital of Greece has always been a birthplace for civilization. It is the city where democracy was born and most of the wise men of ancient times. The most important civilization of ancient world flourished in Athens and relives through some of the world's most formidable edifices.

Who hasn't heard of the Acropolis of Athens? Photos and history of the most famous archaeological monument in Europe have made the world tour causing feelings of admiration by thousands of people. Acropolis is nominated to be one of the seven wonders of modern world. In fact the trademark of Athens is one of the favorites. The Holy Rock of Acropolis dates back to the 5th BC, the famous Golden Age of Periklis. Athens met times of bloom and decline, but still shines under the vast sky gazing the future. Still sparkling like the marbles of Parthenon and the limpid white of Pentelic marble.

Athens is situated in the prefecture of Attica and extends to the peninsula that reaches up to Central Greece. It is surrounded by mountains Ymmytos, Pendeli and Parnitha, northwards and eastwards, and the Saronic gulf southwards and westwards. The sun is shining over Athens all year round. The climate is one of the best in Europe, with mild winters and very hot summers, ideal for tourism. It is located just a few kilometers from the port of Piraeus, the central commercial port of the capital, and the shores of southern Attica.

Athens is constantly inhabited since the Neolithic Age. The 5th century was the time of its ultimate bloom, when moral values and civilization surpassed city limits and became the mother land of western civilization. In the centuries that followed, many conquerors tried to take over Athens. In 1834 Athens was chosen to be the capital of the newly established Greek State. The city that now hosts more than 4,5 million people, was constructed around the Acropolis walls. Today it is the political, social, cultural, financial and commercial center of Greece.
