# Spotlight on Nassau

## HISTORY

Nassau is the capital of the Commonwealth of the Bahamas and the largest city in the Bahamas. Even though it sits on one of the smaller islands, Nassau is home to more than half of the 350,000 people who live in the Bahamas and is one of the island's most charming towns.

Nassau's history is rich with adventure. When Christopher Columbus landed in 1492, some of the Bahamas were inhabited by Lucayan Indians. The Spaniards abandoned plans to stay when they discovered there was no gold on the islands.

English Puritans from Bermuda, seeking a new way of life, came to the islands about 150 years later and settled on Eleuthera. More settlers followed.

For many years, pirates and swashbucklers dominated the waters around the archipelago. Blackbeard was among the most famous of these. Civilization was restored in the islands when in 1717, Capt. Woodes Rogers, once a pirate himself, was enlisted as governor and initiated a clean-up. He offered full amnesty to all pirates who lowered their flags. Those that refused were destroyed.

Nassau prospered and fell many times over the course of the next 200 years. Before the turn of the century, Henry Flagler came to the Bahamas with the money and power needed to build the island in to a major resort town. World War I, however, stopped travel in the Atlantic, and Nassau again suffered economic devastation.

Luckily, prohibition in the United States afforded the islands some unusual luck. The first casino opened in 1929 and that same year, Pan Am began service to Nassau from Miami, bringing wealthy American tourists to the island.

Today, the Bahamas is the playground of vacationers from around the world who flock to the islands in search of sandy beaches, warm waters, world-class shops and resort, and friendly locals.

## LOCAL FLAVORS

Attach the new tags to your luggage and place it outside your stateroom between 9:00pm and 11:00pm for complimentary delivery to the ship's terminal. Once you locate your luggage, porters will be available to assist you as you proceed through Customs and Passport Control. For our Guests traveling on airlines, The U.S. Department of Homeland Security now requires that liquids (beverages, shampoo, suntan lotions, creams, toothpaste, hair gel, perfumes, or alcohol) must be excluded from Guests' hand luggage and must be transported in checked luggage. NOTE: While we realize it is customary for Guests to hand carry their alcohol purchases aboard flights, it is now required for Guests traveling by air to pack them only within their checked luggage. The Transportation Security Administration suggests that all passengers, flying through U.S. airports, unlock all Checked Baggage. Baggage may be searched at any time and locks may be broken if a physical inspection is required (This will be addressed by airline personnel when accepting Guest luggage). They also suggest removing all unprocessed film and cameras with undeveloped film from your luggage.

In accordance with Federal law, NO fresh fruits, vegetables, plant materials or meats of animal products may be brought back into the United States. Heavy fines may be imposed on guests found with these items.
